Genuine Original Equipment Manufacturer Minimum Advertisement Pricing Policies

HodesCo is required by some of our direct vendor relationships to maintain minimum advertised pricing on some of their products. Although our own pricing policy goal is to set our own guaranteed prices for the six month catalog term, we are required by some of our direct vendor partners to maintain and update their minimum advertised product pricing on our website and customer invoices from time to time.

For this reason, we retain the right to comply with their requirements by updating their product pricing during the term of our paper catalog. We apologize for any inconvenience this may create for our valued customers.

Out of Stock Policy

If we do not ship your order complete, we will notify you of this and ship your backorder of \$25 or more within 30 days or let you know of any exceptions. As of this catalog printing, 100% of all items shown are available for shipment. However, we reserve, during the "life" of this catalog, the right to consider any order complete when items are no longer in enough demand to be worthy of manufacturing due to cost-prohibitive minimums. Unless we are notified otherwise, we consider all items coded "C" on the packing list and invoice, to be complete.

Please visit www.HodesCo.com for thousands of low demand products currently in our inventory but no longer shown in our catalog in our effort to save some trees.

Special Order Returns

A minimum 25% restocking fee is charged on all special order returns. Non-catalog merchandise will reflect return fees charged to us by our vendor and may exceed 25%. In many cases special order items are non-returnable.

Damage / Shortage Claims

Please be sure to count the cartons you sign for and note any damage on the Bill of Lading. Open your order immediately to check for any concealed damage. If damaged, the original carton should be kept for possible carrier inspection. Shortage or damage claims need to be reported within 5 days of delivery. To process a claim, we need your invoice number or customer number. Once we ship an order it's consigned to the carrier. Please note: THEY are responsible for any shortage or damage incurred — until you sign a clear bill of receipt. Usually, carriers will not honor a claim if they have a signed receipt from you.

Our return policy is simple and hassle-free. Call customer service at 1-800-777-6500 or e-mail us at CustServ@HodesCo.com with

the original invoice number and the items you need to return. That's all. We'll arrange for the pickup if the return is due to our error. Please include a copy of the Return Materials Authorization (RMA) with the items and your credit memo will be processed immediately. A minimum 25% restocking fee will be charged unless return is due to our error. Common Sense Credit.
